ACHIEVEMENTS AND PROJECTS

• National Level Ideathons

With a team of three members, I have built a platform that connects SEBI-registered stock analysts with regular investors. Our platform was selected for Ideathons at prestigious institutions such as **IIT Kanpur**, **NIT Durgapur**, **BITS Pilani**, and **NMIMS Mumbai**, where we had the opportunity to present it at a national level.

• Health Monitoring System

This ML project uses a 32-channel EEG machine to monitor brain activity and detect potential health issues early.

• Real Estate Budget Estimation

This ML project predicts the budget for a real estate project based on location, size, and amenities to help estimate costs in a futuristic aspect of .
